Red Hot Root Words Book 1: Mastering Vocabulary With Prefixes, Suffixes And Root Words

Synopsis

Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts (prefixes, root words, and suffixes). This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This is the first book in the two-book series. Each of the well-developed lessons in this text includes: one to three word parts along with meanings and sample words, five vocabulary words that use the prefixes or root words, definitions and sample sentences for each of the five words, a practice exercise that lets students apply knowledge of the words and their meanings, and a one-page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes. In addition to the student pages, the teacher's information includes: an extensive listing of the most common prefixes, root words, and suffixes; their meanings and sample words; additional words for each lesson; and lesson ideas to supplement the word being studied. For older students, use *Red Hot Root Words, Book 2*. Grades 3-5

Book Information

Series: Red Hot Root Words (Book 1)

Paperback: 120 pages

Publisher: Prufrock Press (January 1, 2005)

Language: English

ISBN-10: 1593630379

ISBN-13: 978-1593630379

Product Dimensions: 8.5 x 0.3 x 10.9 inches

Shipping Weight: 11.2 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars - See all reviews (26 customer reviews)

Customer Reviews

Prior to buying book one, prospective buyers should note the review of "A. Chai" who indicates that this is not a set in which Book 2 is an advance of material not found in Book 1. Book 1 is the basic

material for grades 3 to 5, and reviewer "A Chai" informs us that we can simply buy Book 2, and get all the same material found in Book 1, plus some additional material for advanced students beyond Grade 5. Anyway, I have been working with Book 1, and here are my thoughts, while teaching both a 3rd Grade Girl, and a 1st Grade boy at the same time in Homeschooling. (A) First, the book starts out on the first page with four lessons on the following roots / prefixes / suffixes. Lesson #1 Sub = Below or Under Lesson #2 Trans = Across, Over Lesson #3 Super, Supre, Sur = Above, Over, More Lesson #4 Pre = Before, Toward For each of these Latin terms, the book gives about 20 samples of words using the Latin Prefix, Root, or Suffix. (Prefixes are at the beginning of words, Suffixes at the end of words, just so you know. I have my students write out the definition as shown, like SUB = BELOW, UNDER; because that is so much faster than teaching children to write out those long, wordy, complicated dictionary definitions. I do not have my 3rd and 1st Grade homeschoolers write out all of these words. It is too long a list for one thing, and the words are basically, sort of the "big word" category, like "subterranean". Instead, I have the children write out two sentences as an example, such as follows: "I will subdue my enemies." and ... "I will use my subconscious mind.
