Customer Reviews

Being a History and Social Studies teacher in a border town in Arizona, I found this book very useful for Social Studies specific teaching methods suggestions. The one caveat I can offer, and this is by no means a slight against the material in the book, as it's exceptionally well put together, is that the teaching methods for students with mild to moderate disabilities and teaching ELL students are extremely similar. So if you're uncomfortable with teaching English Language Learners, I'd recommend first going back and reviewing any material you have on special education instruction prior to purchasing this book.

Good materials to use in the classroom. Very helpful. The materials were both challenging and engaging for the students in the c

Great way to get up to speed with the new SIOP training. This training is becoming popular in the midwest.

Good resource.
