Walking Boston: 34 Tours Through Beantown's Cobblestone Streets, Historic Districts, Ivory Towers And Bustling Waterfront

Synopsis

Boston is a walker's town. It's as clear as the brick red path marking the Freedom Trail, the bright blue signs of the Harborwalk, and the green of the Emerald Necklace series of parks. Boston's nearly 400-year history has led to the development of hidden neighborhoods, historic sites, and iconic parks that tempt both Bostonians and visitors out onto the sidewalks, paths, and trails lacing this close-knit city. In addition, the Big Dig project, which helped revive downtown and the waterfront by moving Interstate 93 underground, has created an energy and excitement that has driven projects like the Harborwalk and the Rose Fitzgerald Kennedy Greenway. Walking Boston offers the best of Boston's new and old rambles. This portable guide features detailed maps, original photos, and public transportation information for every trip. Route summaries make each walk easy to follow, and a "Points of Interest" section summarizes each walk's highlights.

Book Information

Paperback: 240 pages

Publisher: Wilderness Press; 2nd ed. edition (October 8, 2013)

Language: English

ISBN-10: 0899977189

ISBN-13: 978-0899977188

Product Dimensions: 6.9 x 0.7 x 6.9 inches

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (4 customer reviews)

Best Sellers Rank: #631,957 in Books (See Top 100 in Books) #75 in [Books > Travel > United States > Massachusetts > Boston](#) #256 in [Books > Health, Fitness & Dieting > Exercise & Fitness > Walking](#) #517 in [Books > Travel > United States > Northeast > New England](#)

Customer Reviews

This is more like a simple trip outline, than a real tour. It tells you which paths to take (streets, etc.) and itemizes what will be there, but doesn't provide much detail that could build enthusiasm before you go. At half the price, I would have given it more stars.

Gave this to my son and fiance who live in Boston and have a lot of visitors wanting to do the traditional tours. This gives other options and keeps it interesting for the hosts.

My wife and I were asked to lead various short walking trips around Boston. I got this book and it is admirably suited to our purpose.

It's a great book for those who want to tour Boston. Quite a few of Boston's highlights are included, good deal.
