Customer Reviews

is exactly what i need thanks s s s s s s s s s s s s s s

Good book, for those who work on Industrial maintenance.

good

Used "The Handbook of Maintenance Management" in a Continuing Education Course at a DOD installation. The vast number of maintenance fields at this location required a broad coverage. Students and management personal found this book very useful.

Product arrived in excellent condition and ahead of the expected delivery date. Great Service. Would highly recommend.
