Martin hails from Canada but does a solid job reviewing what it’s like to drive for Uber no matter where you are in the world. As someone who runs a top blog for rideshare drivers, I appreciate Martin’s honesty and his personality really comes across in the book. all about. It discusses the rules you must follow if you are considering driving for uber. The writer also gives his two cents on whether or not the cash generated from an uber income is worth the time as a part time gig.
