London By Tube: 150 Things To See Minutes Away From 88 Tube Stops

Synopsis

London is a city of surprises and variety, over 600 square miles packed full of character, spectacle and sensation. And to really know London you must look beyond the obvious; there are broad vistas and quiet corners, iconic sights and grand boulevards, historic buildings, quaint villages, verdant parks, cobbled alleyways, museums, monuments, statues, markets, theatres, cathedrals and ancient churches. This book unearths and explores a stupendous range of interesting places, some well known, some less well known, some almost unknown, all of which lie within an easy walk of a Tube station. Taking you to 88 stations and 150 different places of interest, viewpoints, walks, unique museums, historic pubsâ "if you want a day out and you want to do something different then London is your town, the Tube is your means and See London by Tube is your guide.

Customer Reviews

It was unique and interesting. I knew about some of the places because I read a lot about London and have been there 9 times over the years, but this book introduced me to many, many places that I had not even heard of. It was quite good and of interest to real fans of London who want to look beyond the big attractions that everyone knows and sees.
